Dear Commodore Piers:

I was pleased to hear from your letter of April 28th that Mrs. Piers will accompany you on May 7th. We shall look forward to seeing you on that afternoon and I hope you will bring Mrs. Piers to the house on your arrival.

I think the best route for you to follow is Queen Elizabeth Way to the Ontario Street entrance to St. Catharines. I believe this is well marked. You will then follow Ontario Street to the circle at the end of the street; turn right and proceed across a long high bridge; take the first turning to the right at the west end of the bridge. This street ends at the Ridley gates; proceed through the gates and my house is the building on the right-hand side of our Road.

If you have time would you please forward to me some information on yourself and your background which I might use in introducing you on that afternoon .

I am enclosing a copy of the School Prospectus.

Yours sincerely,

JRH:EH

Dear Dr Hamilton:

This is to confirm previous arrangements for the Cadet Inspection on Wednesday, 7 May, as mentioned in my letter of 20 January and your reply of 24 January.

It will not be possible for me to leave Kingston on Tuesday, 6 May, so my wife and I will be leaving by staff car at 8.00 a.m. on Wednesday, 7 May, taking a picnic lunch, so that we will arrive at your house not later than 2.00 p.m.

Would you be good enough to send me brief instructions how to get to Ridley, approaching St. Catharines via the Queen Elizabeth Highway. You might also send a brochure of Ridley so I might be more familiar with the College.

After the reception at your house following the inspection, my wife and I will be proceeding to the Brock-Sheraton Hotel at Niagara Falls, and returning to Kingston the following morning.

Looking forward to seeing you on 7 May with great pleasure,

Sincerely,

Desmond Piers

Dear Commodore Piers:

I am writing to confirm the date of May 7th for our Cadet Inspection.

I shall look forward to meeting you at my house at approximately 2.00 p.m. with the Inspection commencing at 2.30 p.m. May I repeat my invitation to Mrs. Piers to accompany you on that day.

I can assure you that we are looking forward, with keen anticipation, to having you as our Inspecting Officer. As far as I know it will be the first time in the history of the Corps on which the Inspection will be carried out by a Naval Officer.

Yours sincerely,

I have the honor to acknowledge the receipt of your letter of the 10th inst.

in relation to

the proposed amendment to the National Labor Relations Act, which provides for the establishment of a National Labor Relations Board, and for the enforcement of the National Labor Relations Act.

I am very glad to hear that you are interested in this matter, and I am sure that you will find the proposed amendment to be a most desirable one. I am sure that you will find the proposed amendment to be a most desirable one.

Commodore D.W. Piers,
Commandant,
Royal Military College,
Kingston, Ontario.

Dear Commodore Piers:

I have to thank you for your letter of January 20th informing me that you would visit the School to inspect the Corps on Wednesday, May 7th.

The Inspection will be held at 2.30 p.m. If you could arrive at my house not later than 2.00 p.m. you would then have an opportunity of meeting the other members of the party who will join you for the Inspection. A reception will be held in my house following the inspection.

I hope that Mrs. Piers will accompany you at that time.

I should like to have had you and Mrs. Piers for luncheon but there are certain complications. On that day we entertain to luncheon approximately 150 ladies representing the various branches of our Women's Guild and I am called upon to speak to them. This means that time available for luncheon is limited.

Yours sincerely,

J.R. Hamilton, Esq., BA, LL.D.,

Your letter of 13 January was most welcome, and I much appreciate that you have been able to change the date of your Cadet Inspection to fit in with my own busy schedule.

The date of Wednesday, 7 May, is the more convenient one for me, so perhaps we could make that definite.

It would be my intention to drive to Hamilton with my wife on Tuesday, 6 May, and stay overnight with my brother-in-law, Commodore E.W. Finch-Noyes, who is shortly taking over as Commanding Officer Naval Divisions, and then come on to Ridley on the Wednesday morning, returning to Hamilton again that evening after my first look at Niagara Falls!

With kindest regards,

Dear Commodore Piers:

I have to thank you for your letter of January 8th informing me that you would be unable to accept an invitation for the dates suggested in my letter. I note that you might be free on either Saturday, May 3rd or Wednesday, May 7th. I have discussed this with the Cadet Instructor and the senior cadet officers and although it is quite early in the term, we would be quite happy to hold the Inspection on either of these two dates, if you would agree to come.

If I may, I shall leave the choice of these dates to you. If you will be good enough to let me know, as soon as possible, which one would suit your convenience better, I shall set the Inspection day accordingly.

I can assure you that we shall be honoured to have you as our Inspecting Officer.

Yours sincerely,

Dear Mr Hamilton

With much regret I must decline the kind invitation in your letter of 3 January, 1958, to inspect the Sea Cadet Corps on any of the three dates mentioned. Unfortunately, you have hit on the only week of the year when it will be quite impossible for me to be away from RMC. Our graduation week ceremonies commence on Saturday, 10 May, and run right through until 18 May.

This is a great disappointment to me, particularly after our pleasant meeting in November. If Saturday, 3 May, or Wednesday, 7 May, would be possibilities, I would be delighted to come then. Otherwise I hope there will be another opportunity on some future occasion.

With kindest regards and best wishes for the new year,

Sincerely,

Desmond Piers

Dear Commodore Piers:

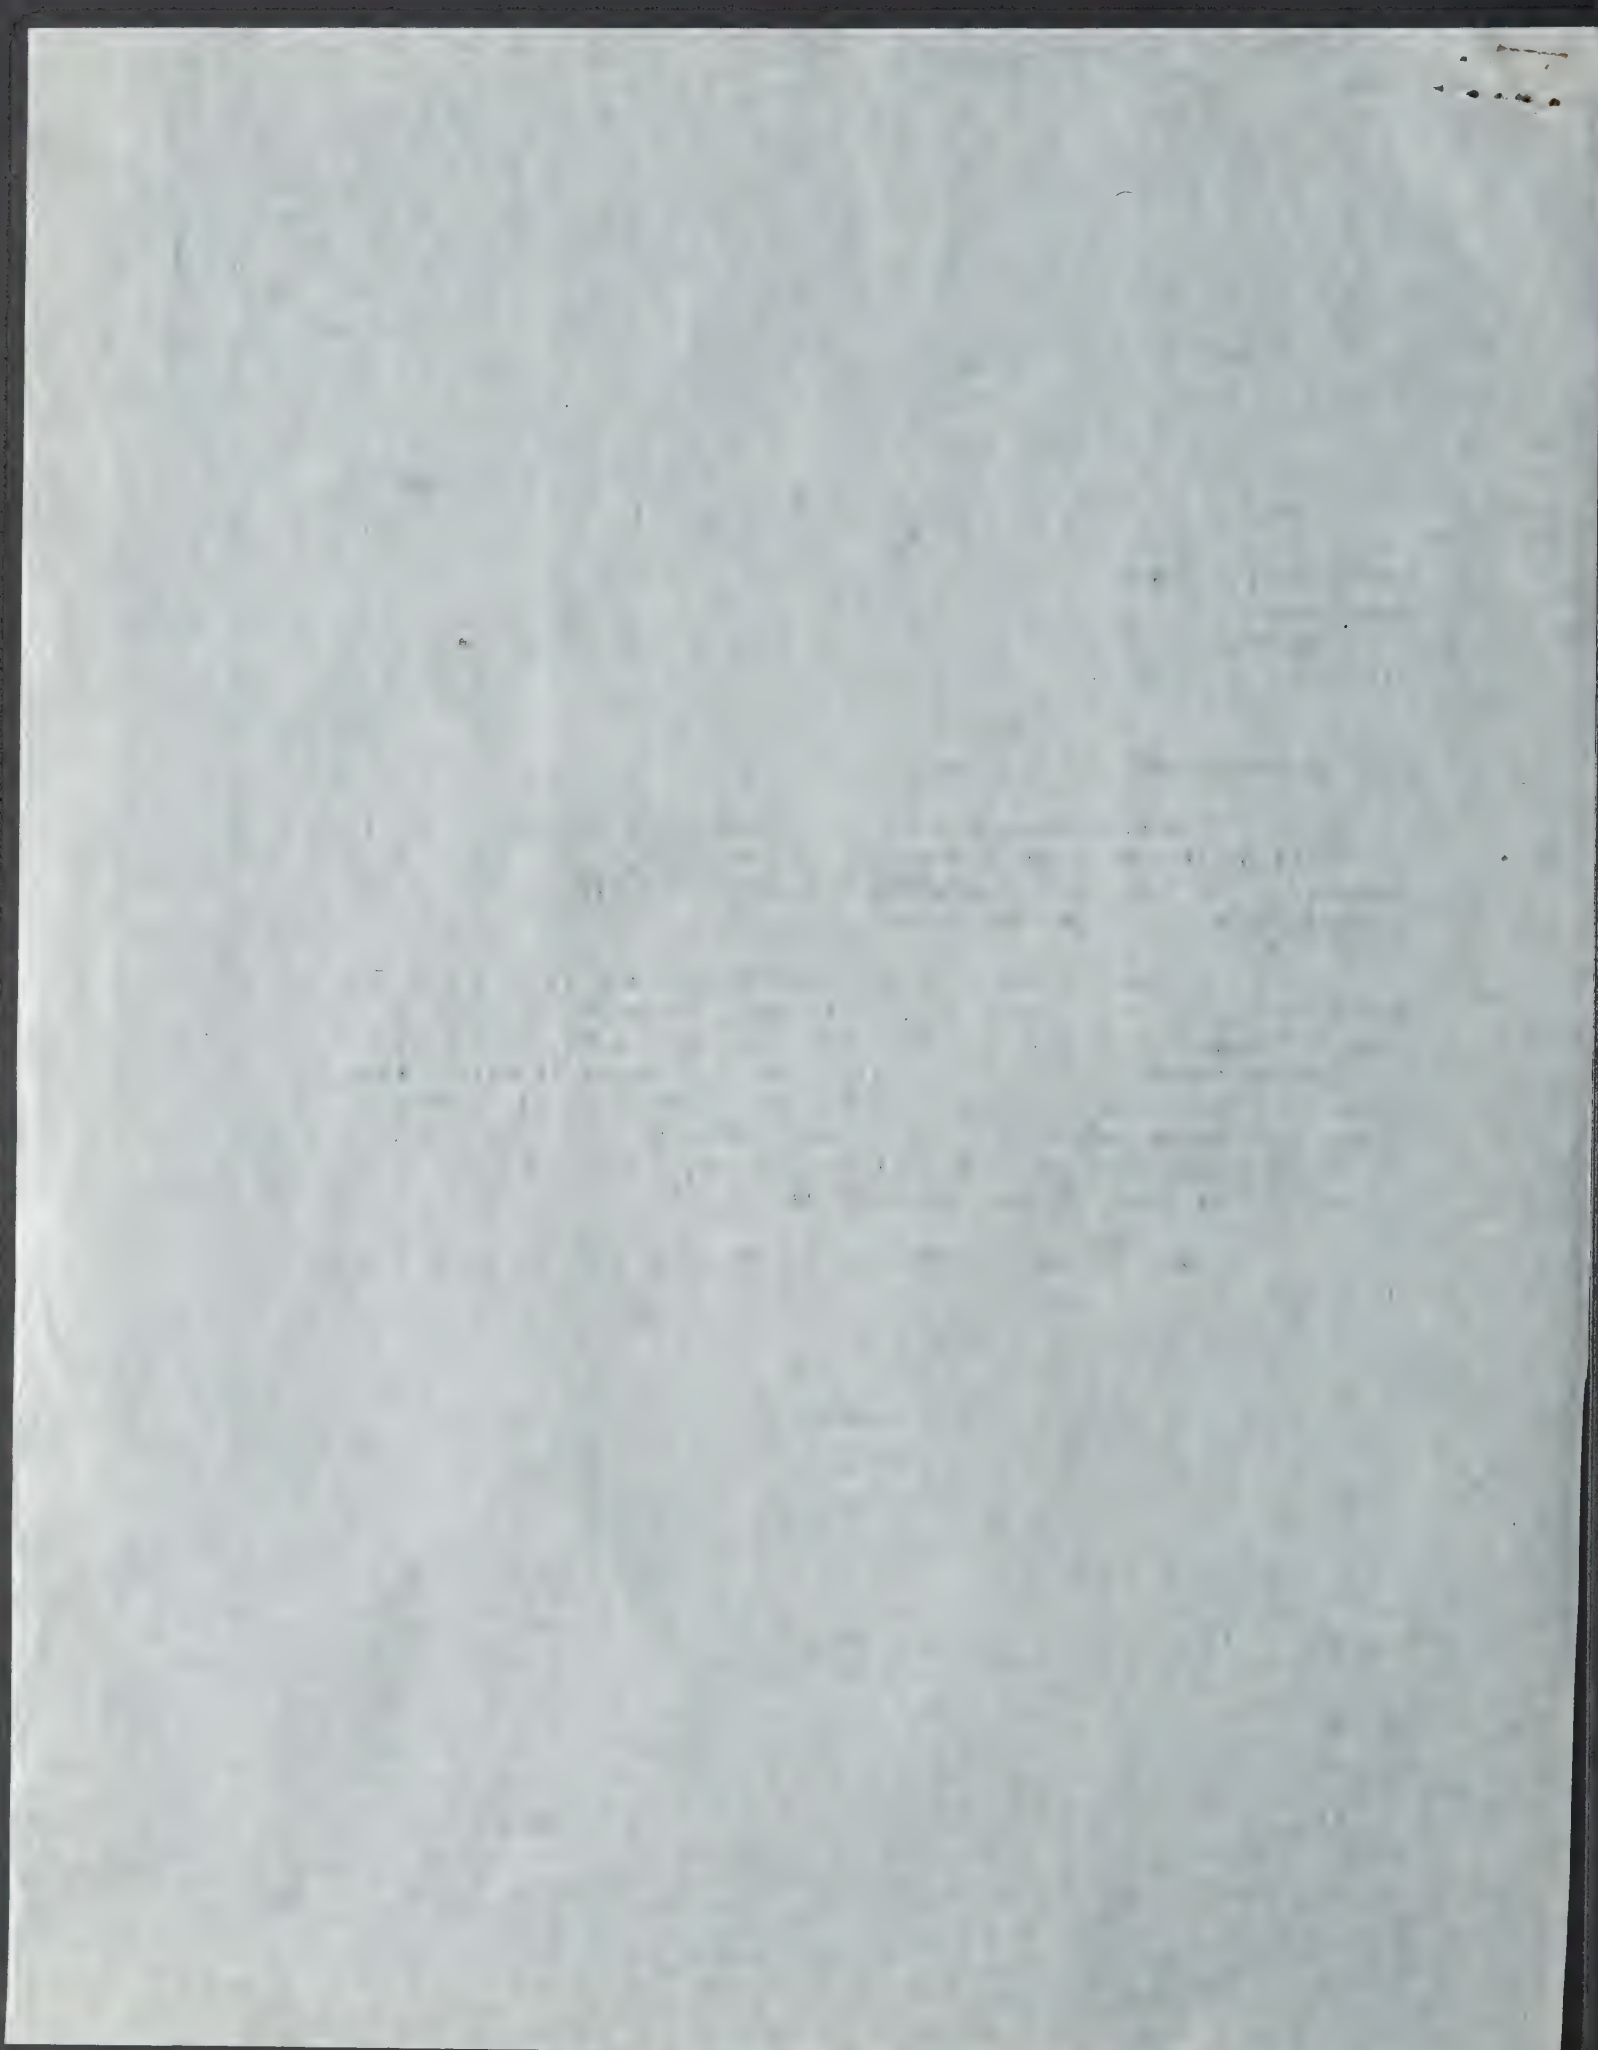

You may recall that I had the pleasure of meeting you during the visit of the group of Headmasters and Principals to Kingston in November. At that time I extended a tentative invitation to you to inspect our Cadet Corps next May.

I realise that your commitments are many and that, in all probability, May is a busy month. In case, however, that you may find it convenient to accept one of the suggested dates, I can assure you that we should be pleased to have you. I have discussed these dates with our Cadet Instructor and any one of the following three dates would be satisfactory, namely, May 10th, May 14th, May 17th. If you feel that you could accept one of these, I hope that you will let me know at your earliest convenience.

With all good wishes for the New Year and continued success
to R.M.C.

The annual St Julien Day Parade will be held this year on Sunday 20 April 1958, and we would very much like to have the Ridley College Cadet Corps parade with us as in the past. They could join us at the Cenotaph at 1420 hrs.

Lt Gen G.G. Simmonds CB,CBE,DSO,CD, has kindly consented to be our guest this year, and will take the salute at the Capitol Theatre on St Pual Street following the short service at the cenotaph.

I would like to have a Cadet Officer attend the lunch at 1200 hrs at the Welland House Hotel and join the Generals Staff for the Parade.

Following the parade, there will be an informal reception in the mess and you and your Officer's are cordially invited to attend.

Yours sincerely

Miss Edith M. Read,
Branksome Hall,
10 Elm Avenue,
Toronto, Ontario.

Dear Miss Read:

I have been asked by a few boys of the School who have invited girls from your School to attend our dance on Monday, April 14th to appeal for an extension of time for the girls' return to the School. I realise that I have run foul of Branksome in the past in this connection and I am most reluctant to do so again.

As you are probably aware the girls arrive at the School on the afternoon of the dance, have tea in our house, followed by dinner in the Great Hall. They are put up at the School and they are carefully chaperoned. At nine o'clock on the morning following the dance the girls and their escorts are served breakfast in the Great Hall and they are asked to be away from the School before lunch time.

It would be most difficult for the girls to be in Toronto by nine o'clock on that morning and so I am asking if you would consider having them return by lunch time. Please rest assured it is no wish of mine to interfere with your School programme. If you feel that you cannot grant this request, I shall understand.

Yours sincerely,

JRH:EH
